Itinerary

Inside visits and special features are shown in UPPERCASE in the tour description.

Day 1

LOS ANGELES. Welcome to Los Angeles! Your Tour Director is on hand late this afternoon to answer any questions.

Day 2

LOS ANGELES. Begin the day with a sightseeing tour of the world's "Capital of Glamour," including a drive through Hollywood and the famous TCL Chinese Theatre. The remainder of your day is at leisure, and your Tour Director will have suggestions for your further exploration of the city. Stroll down Olvera Street or the heart of the original Spanish Mission.

Day 3

LOS ANGELES–PALM SPRINGS. Journey to the desert oasis of Palm Springs, just 120 miles east of Los Angeles. Ever since Hollywood stars first came here in the 1930s, laying claim to ranch-style estates and holing up in elite hotels, the clean, dry air and sunshine have made Palm Springs irresistible.

Day 4

PALM SPRINGS–SCOTTSDALE. Travel through cacti-covered desert toward Old Town Scottsdale, where Western storefronts create an aura of the past. Afterward, enjoy free time to explore a taste of the Old West, with restaurants, shopping, and Western bars. With wooden beams, wagon wheels, and cowboy hats abundant, you'll feel like you've traveled back in time to the era of outlaws and saloons.

Day 5

SCOTTSDALE–SEDONA–GRAND CANYON NATIONAL PARK–WILLIAMS. Travel to Sedona, a thriving center for New Age arts set in Canyon Country. On to the weather-sculptured rock formations of Oak Creek Canyon. Travel alongside the San Francisco Mountains and beautiful pine forests to the South Rim of the GRAND CANYON. Time to stroll the canyon rim—or, for a once-in-a-lifetime experience, take an optional helicopter flightseeing excursion for incomparable views of flame-colored walls plunging 7,000 feet into the Colorado River. Overnight in Williams, a picturesque mountain town with Route 66 as the Main Street and the gateway to the Grand Canyon.

Day 6

WILLIAMS–LAS VEGAS. Cross the old Mojave gold-strike country, which still has traces of century-old ghost towns set in natural desert beauty. Watch for Joshua trees, a species of the lily family that grows to more than 40 feet in height and can live up to 300 years. By late afternoon, reach Las Vegas, the fantastic city of feverish gambling, neon lights, bars, and glamorous shows.

Be sure to explore some of the many themed casino resorts along the colorful "Strip." This evening, we highly recommend a night out to a dazzling stage show featuring top Vegas entertainment.

Day 7

LAS VEGAS. The day is free to swim and sunbathe at the hotel pool or to explore the varied casinos and shopping plazas. Your Tour Director will have more suggestions. Consider a river float trip through the Black Canyon.

Day 8

LAS VEGAS–TULARE. Departing the neon lights of Las Vegas, we continue across the desert landscape of Nevada before crossing into California. You'll see the vast Mojave Desert, which covers one-fifth of California. Pass through the agricultural land and overnight in Tulare in the central San Joaquin Valley.

Day 9

TULARE–YOSEMITE NATIONAL PARK–MODESTO. This morning, we enter YOSEMITE NATIONAL PARK, a wonderland of spectacular lakes, giant granite domes, towering pinnacles, cascading waterfalls, and lush forests. Afterward, drive to Modesto. (B)

Day 10

MODESTO–SAUSALITO–SAN FRANCISCO. This morning, we continue west to the "Golden Gate City" of San Francisco, famous for its cable cars. Lunch in the pristine waterfront community of Sausalito. Free time to explore this quaint, Mediterranean-style village's shops, galleries, and breathtaking views. Afterward, included sightseeing takes in the spectacular Golden Gate Bridge. (CB)

Day 11

SAN FRANCISCO. The day is free for you to explore more of this fascinating city. Perhaps visit the notorious former prison of Alcatraz, which housed famous gangsters such as Al Capone, "Machine Gun" Kelly, and Robert "The Birdman" Stroud. Afterward, the day is yours to do some more exploring in the "City by the Bay." **NOTE:** Consider advance ticket purchase for Alcatraz Island with the National Park Service.

Day 12

SAN FRANCISCO. The trip ends today with guests departing on individual schedules. Transfers to San Francisco International Airport are included. Extend your vacation with extra nights and explore the "City by the Bay" further with a variety of exciting optional activities.

"My favorite things to do include travel and meeting wonderfully interesting people from around the world. Luckily, I get to do both as a Tour Director! What I love most about my job is the chance to be an ambassador for the United States. To see the smiles on my travelers' faces at the end of a tour and to know they had a great time and learned a little something about our country is priceless."

"The West has been my home since I was born, and its incredible diversity has kept me engaged since my earliest memories. It is a world of iconic places and undiscovered gems waiting to be explored. Experience the bustle of its cities and the serenity of its open spaces, hear the stories of its people, and embrace the wonder of its beauty. No matter who you are or where you come from, there is something about the West that will never leave you."
